The 2011 winner of the Cunningham Cup is James Gauntlett.

To receive the award in a ballot from your peers is the highest of all
accolades and in James we have a very worthy winner.

Nothing is too much trouble for "the big man" and often in quieter
moments in the warehouse James can be seen helping out another
associate who needs assistance. There's no "not my job" when it comes to
James Gauntlett's approach to customer service and helping a colleague
in need.

Much respected by his co-workers James wins the award which is now in
its 5th year for the first time.

Well Done James! Well deserved!
