As the Produce Manager of our Food Service Division, I am responsible for buying all of the fresh vegetable & fruits and securing the best quality product for our customers.

I have worked for the Company for 20 years and 18 of those years have been in the Produce Department. It gives me pleasure to get up and go to work daily to manage the challenging but rewarding world of produce. Butterfield & Vallis is a wonderful Company to work for. The staff and owners make everyone feel like we are part of a big family.
